PRIEST'S CORNER

A MESSAGE FROM FR. LARRY:

Most people associate Feb. 2nd with Groundhog Day, but for us the day celebrates the Feast of the Presentation of the Lord. The offering of two doves indicates that Joseph and Mary could not provide a lamb and did not have any land on which to raise a lamb. The Holy Family was poor. Even though they were poor, they were still faithful to following the Law of Moses. Why did they not have any land? Remember, Jesus grew up in Nazareth, but Mary and Joseph had to travel to Bethlehem for the census because it was Joseph's ancestral home. The fact that Joseph did not live in Bethlehem meant that at some point in his family's history, they had lost their ancestral land. That makes a lot of sense, because at the time of Jesus, half of all the arable land in Palestine was owned by only about five families! Over time, land tended to consolidate in Palestine because rich families would loan money at interest (contrary to the Law!) to struggling farmers and would rig the court system to rule in their favor when debt disputes arose. (Sound familiar?) That is why there is so much emphasis in Jesus' teaching on forgiving debts. He's not merely talking about spiritual debts: He's talking about real monetary debts that drove large numbers of people to the brink of starvation. That's the original literal meaning of debts in the Lord's Prayer. That is why the Church, following Jesus' teaching, has always emphasized economic justice in her teachings. When Pope Francis today talks about income inequality today, he's not just blowing smoke. Even some Catholics criticize the Pope and think he should stick to "spiritual things", but that would be a betrayal of Jesus' teaching and example. Something to think about as you meditate on Mary and Joseph holding their two little doves today.

This Winter,
we invite you to
Dig Deeper
into the Faith.

OUR HOLY TRINITY CONFIRMATION STUDENTS...

have been busy serving God by serving in our parish. Our students volunteer at parish dinners, Holy Trinity Catholic School events, Knights of Columbus pancake breakfasts and help with other parish needs. Service is important for many reasons. Volunteering teaches compassion and understanding and makes the world a better place. It is our hope that our students become adults that select causes to devote their time, talents, and treasure which will produce much joy and happiness for them and for those they will serve.

As each one has received a gift, use it to serve one another as good stewards of God's varied grace.

1 Peter 4:10

Our Confirmation students choose a Confirmation Saint in their 1st year of study. Students are reminded to ask their saint for guidance in anticipation of the Sacrament of Confirmation.

St. Joan of Arc

St Joan of Arc was born a peasant on January 6, 1412 in Domremy, France. She was visited by St. Michael the Archangel at age 13 to lead the army of France to bring an end to a war. She was honored as a defender of the French Nation for her role in the Siege of Orleans. She was burned at the stake in 1431 at the age of 19 when a Church trial found her guilty of heresy. But 500 years later, she was declared a Saint. She had remarkable mental courage and her leadership made her a great hero. I chose Joan of Arc because she was strong & fought for what was right. She is the Patron Saint of France.
